

Health & Safety Policy Statement for HERITAGE PROBUILD LTD.

Health and Safety at Work Act 1974.

This is the Health and Safety Policy Statement of HERITAGE PROBUILD LTD.

As Director I commit the company to the highest standards of Health and Safety and will comply with all statutory duties of Health and Safety.

It is our aim to achieve a working environment which is free of work-related accidents and ill-health. This we will review and pursue as a continuous improvement plan from year to year. This company will provide a safe and healthy working environment to all employees and sub-contractors, working under our control. We will ensure that the conduct of their work does not endanger colleagues or members of the public.

Sufficient time and resources will be allowed for health and safety, HERITAGE PROBUILD LTD will:

- Ensure adequate risk assessments have been carried out and appropriate control measures are in place to manage risks arising from the work activities.
- Consult with employees and contractors on matters affecting their health and safety whilst on site.
- Provide and maintain safe plant and equipment.
- Ensure safe handling of equipment and substance.
- Provide information, instruction and supervision of all employees and sub-contractors.
- Ensure all employees and sub-contractors are competent to do their given tasks and receive adequate training.
- Aim to prevent accidents and cases of work-related ill health.
- Maintain a safe and healthy working environment.
- Ensure that any breaches of health and safety rules and procedures are reviewed, notified and disciplinary action is taken where necessary.
- Review and revise this policy as necessary.

As Director, I will set a good personal example to others in complying with duties laid upon the company and I expect all employees to comply with the company standards in respect of this policy to ensure it is carried out.
